Media/Internet/Social Media Permission 2018

Dear Parent/Caregiver

From time to time, the media approach the school requesting co-operation in photographing or interviewing students. The school also seeks to promote the achievements of students by naming them in material provided to the media or by arranging for them to be included in photographs for newspapers, the Internet, school website, social media or vision for television stories.

If you are willing for your child to be photographed, filmed, and named or interviewed on topics that do not involve current issues or may offer a personal insight, would you kindly sign the consent form below and return it to your child's class teacher.

This consent applies to the Western Advocate, 2BS, B-Rock, Prime, ABC and Win Television, the School website and social media and applies until school ends in December 2018.

You will be contacted specifically if your child is required to offer an opinion on an issue or may be required to discuss something that could give a personal insight into themselves, your family or friends, or if the request is from media outside the local area.

The school understands that there can be many reasons why families may prefer that their children do not appear in the media, Internet or on social media, and respects your wishes. If you sign this consent form, and later wish to withdraw it, please notify the school so we can adjust our records accordingly.

If you wish to discuss consent for your child to appear in the media, Internet, or social media, please feel free to contact me.
